Gear

Hello Everyone,

Thank you for joining Southampton Knights Competition Cheerleading! As everyone knows it is extremely important that cheerleaders look uniform, not only in their motions, but in the way they dress as well. If you are interested in having your child sized for these items, you can fill out the quantity section of the order form, and leave the sizing section blank, we will fill that out at the sizing session.

[Order Form \(located on Page 6\)](#) ****ALL ORDER FORMS ARE DUE ON AUGUST 16th, 2018!**

Section 1: Sideline Gear Package

Pictures Available on Page 3

Each cheerleader will need a black hugger to wear under their uniform shell, a pair of black spandex/bloomers to wear under their skirts, and a pair of all white sneakers. We have a bundle option if you would like to order, or you can find the items on your own. The quantity and pricing sections are listed in case you would like to order more than one item. You do not need to order these items from us, but we thought it would be convenient and it turned out to be affordable when we bundled it.

Section 3: Optional Uniform Items

Pictures Available on Page 4

The warmup and backpack are optional for cheerleaders, however, as the season progresses and as the weather changes, it is always convenient to have a pair of pants and a jacket to throw on during the games.

Cheerleaders have the option to purchase the jacket and pants together (with their name embroidered), just the jacket (with or without their name embroidered), or just the pants. In addition, cheerleaders have the option to purchase the SKC spirit backpack with their name embroidered.

Section 4: Spirit Gear

Picture Available on Page 5

All of these items are optional, we will not be doing a Christmas Wishlist...this is it, so if you want to get stuff for Christmas, order now and you'll get it in the fall and can save it for the Holidays. ☺

For the Jerseys you can add whatever you want to the back i.e. Cheer Mom, Lexie's Mom, Last Name, Proud Mom, Proud Parent, etc. Only the solid grey is available in Youth sizes

For the Grey and White SKC Pull Over Button Fleece, Purple and White Power Fit Warm Up Jacket, Purple and White Polar Fleece Full Zip Jacket, and Heather Grey SKC ¼ Zip, additional length is available for the sleeve and the body of the jacket.

For the Pull Over Fleece – It is supposed to be oversized, it is recommended that you order one size larger

This order form is due on 08.15.18.

[Payment is due with the order,
unless otherwise discussed with Coach Laura directly.](#)
